GARY, INDIANA

1949

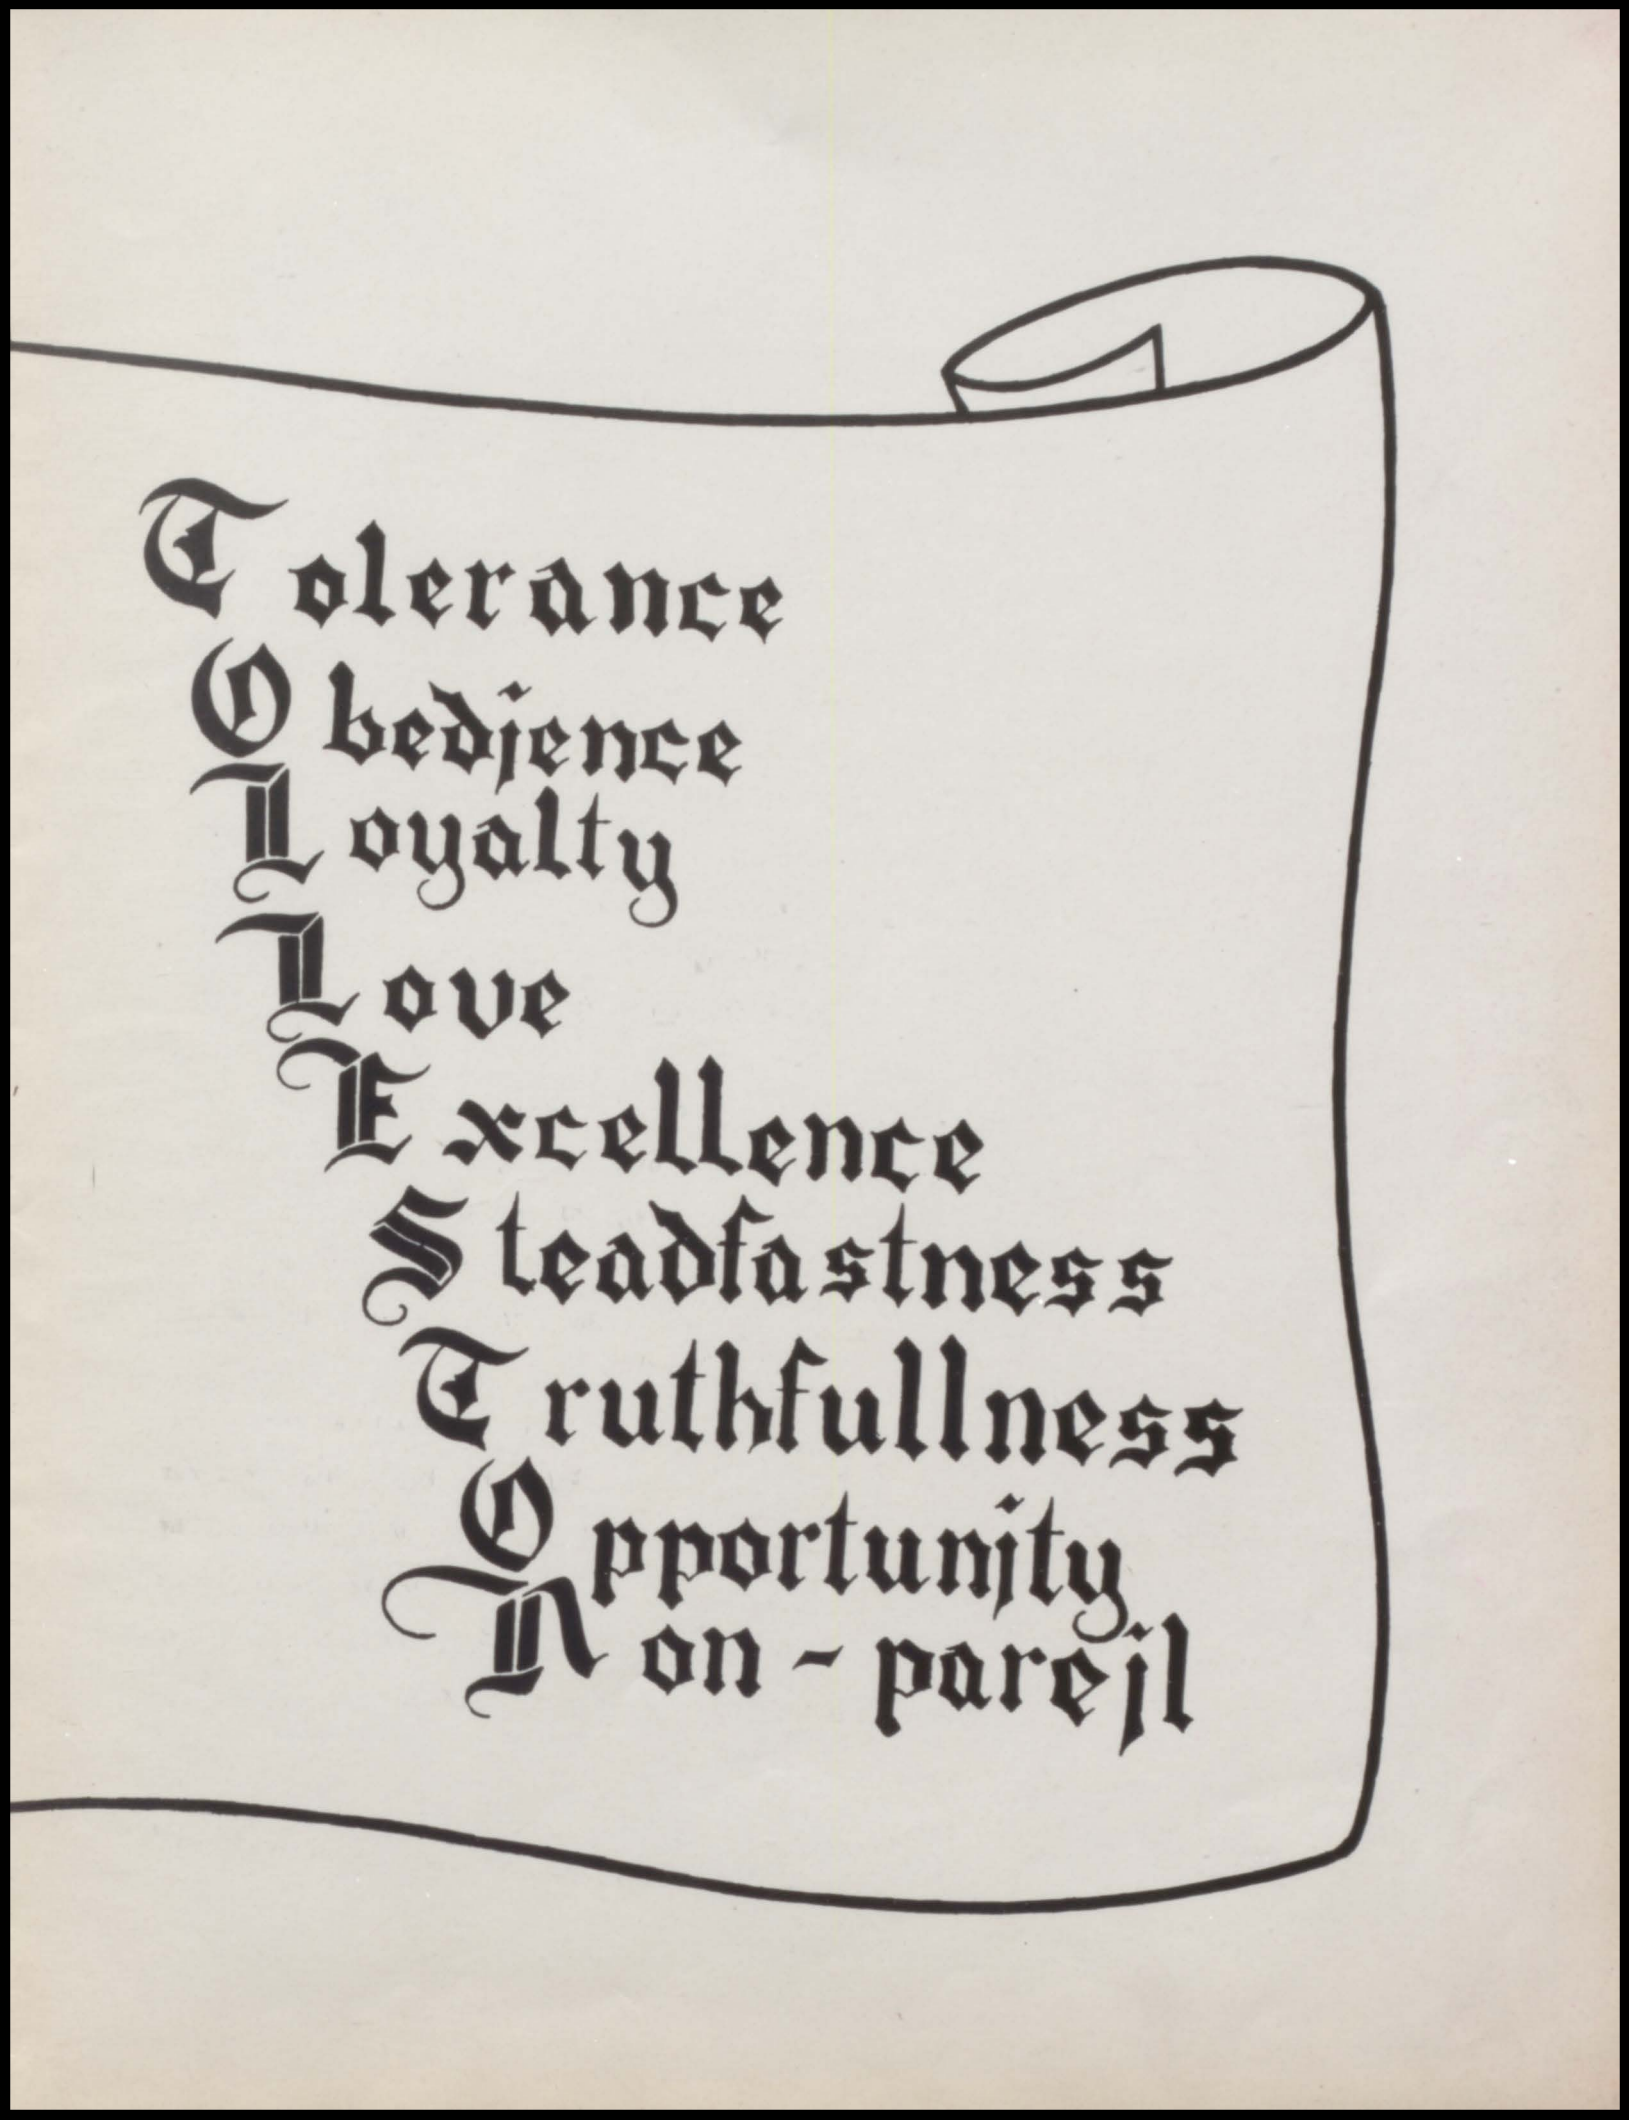

Introduction

Prior to World War I, a desire for accumulation of wealth and material things spurred people onward to unlimited bounds. Times were so uncertain that it was essential to concentrate only on the present. For this reason, life was rough, rugged, and fast moving.

With the culmination of the war came a shattering change in the daily life of the American citizen. Depression struck a resounding blow, and, shaking people from their greedy worship of material things, forced them to the realization that a future world must be built upon more stability than is proffered by that elusive charmer--money.

What possession can man have that can never be forced from him? Education, of course; for with education man can scale any height and possess unimaginable wealths. He can reign in any kingdom which his mind decrees. His senses are alert to the unfolding beauty of the world. He learns to understand himself, and he wants to understand others.

Mr. Citizen, therefore, must choose a pattern for his daily life. We, of the Pioneer Staff, think that Tolleston School has epitomized just such a plan in its code which forges together the school, the community, and the city. We feel that the Tolleston Code is a route which can lead us to all the riches obtained through learning, love, faith, and kindness.

Waltzing through the night . . .

Seated: Donald Bodnar, President; Phillip McAdams, Dorothy Peterson, Janeta Williams, Mary Lee Petit, Marian Bloksha, and Rozanne Blaney. Standing: Mr. Goforth, Sponsor; Cora Denning, Secretary-Treasurer; John Bean, Bernard Guba, Vice-President; Thomas DeLaughter, and Robert McGlothlen.

Student

At the end of each year when the election of class officers is held, each class elects two representatives to the Student Council. With the third representative, who is chosen by the class sponsors, these people work together with Mr. Edmon Goforth to formulate the general policy of the student body.

The activities of the Student Council are many and varied. This year the Council took over the weekly Wednesday evening Social Club and each month held a "special" dance. They also sparked the Community Chest Drive at Tolleston and were strongly urging the installation of a public telephone.

Social Club

Reorganized under the supervision of the Student Council, the Social Club meets in the boys' gym every Wednesday evening.

With faculty members, Mr. Edmon Goforth and Miss Marian Tarr, buying the dance records and supplying encouragement, two of the primary purposes of the club — learning to dance and enjoying oneself — are easily fulfilled.

A recheck of the year's activities list discloses the obviousness for the double meaning for the Tolleston chapter of the T.A.G. — Teen Age Girls, or "Tolleston's Active Girls." Dances, meetings for the purpose of religious education, and distribution of Christmas toys for the Goodwill Industries are a few of many undertakings.

An important T.A.G. affair is the annual Mother's Day Tea, which is held in the Y.W.C.A., and which offers the mothers and daughters an opportunity to participate in the same social event.

The T.A.G.'s have learned the fine art of co-operation which stands as an asset for future life.

Mary Jane Komisarck, President; Elizabeth Emery, Treasurer; Mrs. A. S. G. Rotenburg, Sponsor; Amelia Lucco, Secretary; Mary Ksenak, Social Chairman.

"And everyone had fun," is usually the report given after any activity held by the Girls' Club, an organization of junior and senior girls.

Annually the Girls' Club, sponsored by Mrs. A. S. G. Rotenburg, participates in the Lake County Girls' Conference. This yearly event is the culmination of the year's discussion of good grooming, etiquette, dates, home life, etc., and is highlighted by outstanding speakers and unusual student talent.

G.A.A.

Umm, glamor girls!

These girls must have won the prize for the best decorations.

Under the able leadership of its officers, council members, and sponsor, Mrs. Esther Kay, the Tolleston Girls' Athletic Association has grown to be the largest single organization for girls at Tolleston High School.

In earning one hundred points for the inevitable initiation, a freshman must participate in speedball, handball, or any of the many other sports offered.

A sophomore or junior can win her letter by earning fifteen hundred points.

The highly prized senior award can be obtained by the girl who, having hiked, biked, played baseball, basketball, volleyball, etc. has earned from twenty-five hundred to three thousand points.

Where's the ball?

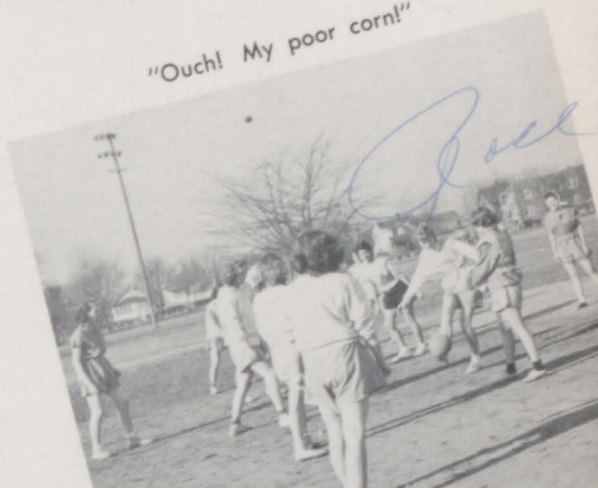

Ready for action!

Food to eat, words to hear, and a goal for which to work.

BAND

Beautiful music and pleasing harmony reached the ears of the audience as the lights dimmed, and the curtain rose on another Tolleston Band Concert in the Memorial Auditorium.

Besides the annual concert, in the Hobart contests, the band walked off with three superior ratings and twelve excellent ratings. In the Indianapolis contest, the saxophone quartet was rated excellent, and the clarinet solo won a "good."

The chief reasons for these successes were the loyalty of the members, the direction of the conductor, and the helpfulness of the Band Booster Club.

Under the capable direction of Miss Charlotte Domroese, music instructor and singer in her own right, the Mixed Chorus and Girls' Glee Club have built up a reputation for smooth harmony and a uniqueness in presenting skits. Outstanding in both respects, have been the soloists, double quartets, and especially, the barber shop quartet. The groups have afforded many enjoyable moments both to school and civic organizations.

The officers of the Girls' Glee Club and Mixed Chorus met, and under the direction of Miss Charlotte Domroese, discussed plans for their next musical production.

COMPANY A

It's important to "know your rifle."

Bodnar's lecture must be interesting!

"Prepare for

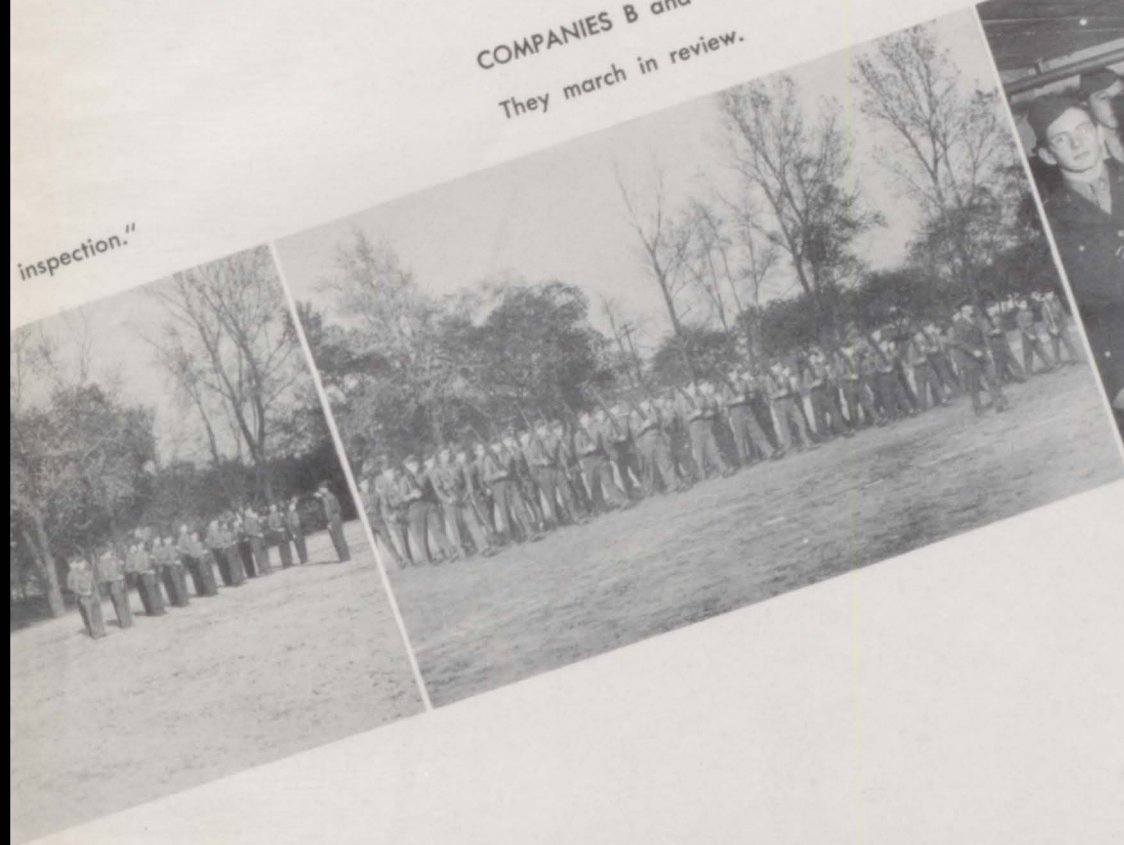

R.O.T.C., the largest organization for high school boys in Tolleston, reflects the interest that Tolleston boys have in raising the standard of their community. Through its willingness to help any group in need, the R.O.T.C. has gained a reputable name throughout Gary and the Middle West.

If you were to join the R.O.T.C., you would soon find that it isn't an organization which teaches a boy to be a soldier as many people believe. It is, rather, an organization that teaches methods of good leadership — something necessary to all good Americans.

Tolleston's rifle team, for the past three years, has led the city in practically every match fired. The team took first for Gary in the Hearst Trophy Match, first in the shoulder to shoulder meet, and first in the National Match.
